OLGA SORKINE- HORNUNG

ASSOCIATE PROFESSOR
OF COMPUTER SCIENCE,
ETH ZÜRICH

"I try to help every lab member fulfill their potential and push the boundaries of their ability and imagination. Research is a team sport, and my job is to be the coach and team member at the same time, making sure everybody has all they need to be inspired and productive."

URS HÖLZLE

ETH ALUMNUS,
SENIOR VICE PRESIDENT
FOR TECHNICAL
INFRASTRUCTURE, GOOGLE

"Computer Science is growing rapidly as more and more domains benefit from software and algorithms. Thus it's important to ensure that the backgrounds of CS students are as diverse as the problems they're aiming to solve."
